Bring your own talent or we can find it for you. Include your own jingles or have our staff create it for you. Modesto Sound has a catalog of local fresh music to consider for your production needs.

Our great sounding room, state-of-the-art microphones and experienced engineers combine to create a pleasant sounding effective recording. The proof is in the product! Listen to our sample CD demo.

To schedule an appointment or request a free sampler CD call us at 209-573-0533 or e-mail [Brenda@modestosound.com](mailto:Brenda@modestosound.com)

Modesto Sound opened in 2005 and has recorded hundreds of local bands, provided professional voice-overs and held numerous free concerts. Proceeds from our commercial recording services benefit the nonprofit teen recording program and local artists.

**We look forward to serving your needs!**
